Welcome to the farm safety maze! Your mission is to safely navigate through the maze and reach the shed on the other side. But be careful, there are many hazards and dangers along the way that you need to avoid. Find safety gear on the farm to help you on your journey. Remember to be aware of all the potential hazards along the way and stay well away. And always remember, it's important to find an adult before starting your journey. Good luck and stay safe!
